

YOUR VOICE MATTERS!

People are asking,
What can we do?
Let's unite and let our voices be heard!

Now is the time, before it's too late, to voice your concerns to those who are in the position to actually DO something about Vanguard's Elverson AD1 co-digester proposed for Kurtland Farms. Taking the following actionable steps is where you can begin:

- Join "[Stop the Twin Valley BioDump](#)" on Facebook for additional information on the risks and dangers associated with co-digestion specific to the tri-county area.
- Go to www.nodigester.com for valuable information from the "[Citizens Protecting Rural Wisconsin](#)," who have walked before us in the fight against a co-digester in their own area.
- Email your local, county, and state officials and representatives from the contact list on the back, and explain your objections in detail.
- All efforts - including marketing, postage, and legal/research fees - are funded by group and community members. Please consider donating to the cause at "Stop the Twin Valley BioDump" on [GoFundMe](https://gofund.me/6272927e) at <https://gofund.me/6272927e>.
- Utilize the [Caernarvon Township website](http://www.caernarvon.org) at www.caernarvon.org to find the following:
 - [Elverson AD1 Project Plans](#) (Zoning Tab)
 - [2025 Meeting Dates](#) (Home Page)
 - [Right to Know Form](#) (Home Page): Send to mbishop@caernarvon.org
- Go to every upcoming local meeting possible in the days ahead. (Go [here](#) for [Twin Valley School Board meeting dates](#).) Keep a watchful eye on [Caernarvon Township's website](#) for upcoming hearing dates. Demonstrating persistent strength in numbers at these meetings and hearings is crucial. **It's vitally important that you attend!**
- Display a yard sign on your property or a car magnet on your vehicle!
